

Who are the Friends of the Temecula Libraries?

The Friends of the Temecula Libraries are dedicated people who care about libraries and seek to promote their welfare. We are interested in preserving libraries as a source of freedom. We strive to enrich our libraries' resources and make their services better known to the community.

Bookstores

The success of the FOTL Bookstores has always been due to the generous donations of books from the community and the work of our dedicated volunteers. All net proceeds from book sales at our two stores go to the libraries to provide, materials, equipment, programs, extra services and enhancements.

Our stores stock a wide variety of hard-back books (both fiction and non-fiction), paperbacks, DVD movies, CD music, CD books, puzzles, games (on occasion) and so much more.
